Check it Twice!

As the deadline quickly draws near to sign up for the Dolphins, the official swim roster is being finalized. This is the roster we must turn in to [GKAISA](#) for our swimmers to be eligible to swim at dual meets. We need **EVERY** parent to [view the roster](#) and double check your swimmer information. Please make sure your swimmer's first name, last name, date of birth and gender are correct. If they are wrong, reply back to this message with the correct information. You will not get a confirmation back, but the information will be updated on the roster.

This link will be active until June 6, so please check your swimmers information prior to then so the lineup can be made for the Blue and White meet. The names are listed alphabetically.

Swimmer and Volunteer Sign Ups for the Blue and White meet

Signups have begun for the Blue and White meet and are now accessible from the main page of the website. The deadline is June 4. You **MUST** be registered to swim the meet on June 8. If you have any questions, or need help registering, please see a board member at evening practice. We will be glad to sign swimmers and volunteers up online during practice.

Parent Worker Training

Worker training will begin on Tuesday, June 1 at John Sevier Pavilion. **All parents are asked to work at least one shift at our dual meets.** If you are unfamiliar with any of the positions, or would like to learn a new job, please attend one of our sessions. Click [here](#) for a complete schedule of the training.

If you are interested in being a skilled worker (referee, starter or stroke and turn judge), there will be separate training on June 7, beginning at 6:30pm at John Sevier pavilion.

Flippers Update

Since there were not 10 swimmers signed up for the first or second sessions, the first two sessions have been combined. The first session will run on Tuesdays and Thursdays from 10:30am to 11:30am at Maryville College June 1 through June 17. There are still two sessions available from June 21 – July 7.
