Team Picture Taken at Blue and White

The Blue and White meet will be held on Tuesday, June 8 at Springbrook Pool. The Dolphins will also be taking a team picture. Here is the timeline for Tuesday:

- All swimmers must check in between 5:00pm and 5:30pm
- Team picture will be taken at 5:30pm
- Warm ups will begin following team picture
- Meet will begin approx. 20 to 30 minutes after warm ups

All swimmers and parents **MUST** enter the pool area to the right of the main entrance. You will see a double gated area that you can enter. Please do not enter at the normal entrance.

As you enter, there will be a tent immediately to your right. Here, all swimmers should check in and all parent workers should check in. Behind the tent, a list of all swimmers and their events will be posted on a fence. You should use one of the provided Sharpie pens (**or bring one of your own**) to write the event numbers your swimmer will be swimming on their arm. Also, please write their last name on the back of their shoulder. These two requests will be used to better identify your swimmer during the meet.

After the swimmers are checked in and know their events, they will be asked to go to the front of the pool area for the team picture.

Swimmer Time Card Difference for 2010

A major difference this year during the meet... all swimmers, age 9 and older, should get their own time card from the clerk of course when called. **9 and older will be responsible for picking up their own time cards and reporting to the pool area when it is their time to swim.** During the Blue and White meet, we will train all swimmers to get used to this new schedule. If you have any questions, you can talk with any of the tent parents at Clerk of Course.

Workers Still Needed for Blue and White

Workers are still needed for the meet this Tuesday. You can visit the [webpage](#) to see all available positions and sign up. We CANNOT run the meet with parents, so the meet will not proceed as normal unless all positions are filled. If you have any questions, please contact our Volunteer Chair.

Blue and White Changes

[Click here to view a Blue and White meet roster.](#) If your swimmer will be unable to attend the meet (sickness, etc.), and you have previously signed up to swim, you must notify [Coach Michele](#) as soon as possible. Please put Blue and White Meet in the subject line to avoid any spam or junk mail filters.

Skilled Worker Training

Training will take place at 6:30pm on Monday, June 7 for all parents interested in becoming Referees, Stroke and Turn judges or Starters. These positions are essential in running a meet efficiently. If you are interested, please attend the training, which will take place at the John Sevier pavilion during evening practice.

Final Merchandise Deadline This Week

The second and final deadline to order merchandise is June 9. If you would like to order Dolphin hats, shirts, sweaters, etc., please fill out the form and hand it to a board member by Wednesday. For team members that did not receive a team towel and cap, those will be distributed at the Blue and White meet.
