

Between the Lanes

Volume 2, Issue 13 – June 18, 2010

Would that be a Windsor or Half Windsor?

It doesn't happen very often, but last night was one of those special moments. Both MAFD and BFST swam very hard to the end, and what better way to reward all the swimmers than with a TIE! The final score – 367 to 367. It would be difficult to even start looking for the last time this happened within GKAIISA. [Final results are posted on the webpage.](#)

A special thank you goes out to all the parents who worked extremely hard to run this meet as efficiently as it did. The Board cannot thank you enough. Meets are long and hot, but by having the type of parents that we do makes them enjoyable and well worth it to the swimmers. Fantastic job!

The coaches also did an outstanding job during the meet. Encouraging and teaching our swimmers builds their self-esteem and makes them much better swimmers. And the relays worked much better!

Jefferson City Reminder

Don't forget, today is the final day to register to swim the Jefferson City dual meet, which will be held Tuesday, June 22 at Jefferson City. There will be NO EXCEPTIONS to signing up late.

Please do not sign up for any meet you are not going to be attending. This punishes the team, and especially the relay swimmers. If you register, and cannot attend the meet at the last minute due to sickness, please notify [Coach Brown](#) as soon as possible. The better part of the first half of the BFST meet was spent readjusting relays and individual events due to last minute changes. We want our coaches coaching, not doing paperwork, right before a meet starts.

Jefferson City Workers

Worker positions are still open for the Jefferson City meet. If you have not worked a meet yet, remember, you are required to work at least one. Not only do you get to meet new people and feel great about MAFD, but the meet doesn't last as long. If you do not work a meet, you are asking other parents to work multiple times and that simply is not fair. Do your part and work. Swimming takes every parent to make it successful.

Final Reminders

There are several things to watch for this weekend.

- Registration for swimmers and volunteers at the Holston Hills meet (June 29) will begin soon.
