The Records Start to Fall (or spin?)

As the meets start piling up, especially at Springbrook Pool, at least one or two all-time MAFD records get broken. Congratulations to Zeke Carnes, Alec Carter, Case DeWaard, Josiah Riser, Sam Tingle, and Josh vanderVeen for breaking records in 200IM, 50 Fly, 200 Medley Relay and 200 Free Relay during the Holston Hills meet. The relay records had been standing for 14 years! Great job! [View the records.](#)

Gulf Park Registration Ends Friday

The deadline for swimmer registration for the Gulf Park meet on July 6 is this Friday. Be sure to sign up... there will be no exceptions.

Workers Needed – SMI and Gulf Park

Workers are needed for both Gulf Park and SMI. If you are unsure what you can do at SMI, please contact our [SMI home worker coordinator](#), Beth Lazar. Even if you are not swimming, you are required to work at least one session. Especially all swimmers who are not participating in meets. This is the only Dolphin fundraiser of the year and crucial to maintaining the low cost of swimming each season.

Oh Say Can You See

Do you have a swimmer that can sing the national anthem or say the invocation at Smoky Mountain? If so, please contact the [SMI home worker coordinator](#).

City Meet Sign Ups Continue

This year, if you are swimming City Meet, there is an \$8 entry fee. Also, GKAIISA sells parking passes and t-shirts. All registrations must be made by July 12. Fill out the [City Meet form](#) to register. Please make all checks out to MAFD.
