Dolphins Fall Short Against Gulf Park

The Flying Dolphins hit the pool running Tuesday evening against Gulf Park, with both teams coming in undefeated. Unfortunately, the Dolphins came up 30 points short, in losing 381-351. The meet was run very efficiently due to the wonderful help of all our parents. A big thank you!

Congratulations to Zeke Carnes and Case DeWaard for breaking all time MAFD records. Zeke broke a record in the 50 Breast that had stood since 1994 and Case broke a record in 50 Breast that had stood since 2002. Way to go!

Finally, a great round of applause for our senior swimmers, who were recognized at the end of the meet. Audrey Brown, Case DeWaard, Natasha Strain and Sydney Trent were on hand to swim a recognition lap for all their hard work. And don't forget Evan Norville, who wasn't at the meet, but she was definitely in our hearts. These seniors will never be forgotten.

SMI Workers Still Needed

Parents - we still have quite a bit of positions that need filled for SMI, especially second and third shifts. You must [visit the site](#) and sign up, even if you are not swimming. Saturday's expected time of completion is 7:30pm and Sunday should be complete by 4:30pm. This is the only Dolphins fundraiser of the year and all parents are asked to work.
