2012 Summer Season in the Works

We know, the warm unseasonal weather has already put you in the mood for the summer Dolphin season, right? Even if it hasn't, your 2012 Board of Directors has already met to discuss coaches, preseason swims and the entire 2012 calendar. A great season is in store, with meets against Holston Hills, Benington Farrington, Crestwood Hills, Gettysvue and Whittington Creek. And don't forget about SMI – scheduled for July 7-8.

Coaching Staff Being Assembled

The Board has been hard at work developing a coaching staff for the summer and applications are being accepted through February 6. If you know anyone interested, have them visit the [website](#) and send in an application.

Home Meet Concessions

A huge question in the past has been why we don't offer food concessions at our home meets. While we have worked out the permissions with Parks and Rec to do this, we still need a few good parents to coordinate and run the concessions during the meets. If you are interested in helping do this for 2012, please send the [president an email](#), and plan on attending the February 10 board meeting at 7pm. Location will be announced soon on the website.

Preseason Swims

Preseason swims will return this year. Watch for more details soon.

Dates to Remember

February 6

Coach application deadline

February 10

Board meeting

March 8

GKAISA Spring Meeting

July 7-8

Smoky Mountain Invitational
